PHYSICIAN CERTIFICATE OF MEDICAL NECESSITY

Face-to-Face Encounter

Patient Name: _____

Encounter Date and Reason for Encounter

I certify that I, or a qualified non-physician practitioner working with me, had a face-to-face encounter with this patient on the date indicated below due to the medical condition also listed below, which relates to the primary reason the patient requires home health services.

Encounter Date: _____ Diagnosis/Reason: _____

Need for Home Health Services

I certify that based on my findings:

a. Home Health Services are medically necessary for this patient (check all that apply):
   - ☐ Nursing
   - ☐ Physical Therapy
   - ☐ Occupational Therapy
   - ☐ Speech Language Pathology
   - ☐ Home Health Aide
   - ☐ Medical Social work

b. This patient is homebound based on the following information:
   _____

   _____

My clinical findings support the need for the above services because:
_____

_____

_____

_____

I certify that this patient is under my care, or has been referred to another physician having professional knowledge of the patient's condition. Services ordered above are needed to treat condition for which patient was hospitalized and/or seen in the office. The composed above information is based on my clinical judgment relating to this patient's medical condition.

Certifying Physician Signature: _____ Date of Signature: _____

Physician Printed Name: _____
